

## Come Volunteer With Us!

The American Cancer Society recruits volunteers to work in partnership with our staff on a variety of programs and events. The American Cancer Society is a volunteer-based organization and without volunteers, we would not be able to accomplish our mission. Below is a list of some of our volunteer opportunities pertaining to the Hope Lodge.

The American Cancer Society Patrick F. Taylor Hope Lodge is a free temporary lodging facility for cancer patients and caregivers who travel to New Orleans for treatment. Volunteers are needed to staff the front desk and organize group activities such as cookouts, birthdays and holiday observances.

Please check any opportunities you are interested in and what days and times you are available. Then provide your name, other information and someone will contact you.
